

Anti Slip Tape: Colors

Anti Slip Tape prevents slip & fall accidents and boosts traction on wet, slippery ramps, stairs and other slick surfaces. Our anti skid tape can stick to virtually any hard surface such as concrete, tile, wood and metal.

Anti slip tape has silicone carbide particles on the surface that feel like sandpaper and greatly boost friction in wet and dry areas. Our standard grip tape has a 45 grit level though we also offer anti slip tapes in other grits.

This grip tape is available as both rolls and cases of pads.

To use anti slip tape just peel off the protective back layer and adhere it to the any clean, dry, hard surface.

We recommend an edge sealant to help adhere the anti slip tape in locations with direct exposure to water, grease and oil. This sealant comes in a 5oz tube that covers up to 100 LF.

Custom sized/shaped anti slip tapes are also available.

NOTE: Single Safety Stripe is only available in 6" widths.

Item No: FM.AST.C

Standard Sizes (Approximate)

Size	Qty. 1	Qty. 2-10	Qty. 11-25	Qty. 26+
0.75" x 60' Roll	\$12.46	\$12.38	\$12.30	\$12.22
