

Comfort Drainage Anti Fatigue Mats

Comfort Drainage Anti Fatigue Mats are exceptionally comfortable, heavy-duty rubber mats to boast superb durability and versatility.

These drainage rubber mats are an excellent choice for wet, oily or greasy areas, as these anti fatigue mats will not only improve ergonomics and reduce aches and pains but also provide improved traction and avoid deterioration thanks to their 100% pure nitrile rubber construction. Additionally, each floor mat is treated with an anti-bacterial agent to kill micro-organisms and prevent mildew.

Each Comfort Drainage Anti Fatigue Mat is 9/16" thick and has beveled safety edges on all sides for each access on and off the floor mat while remaining ADA compliant.

Thanks to the nitrile rubber compound used in these anti fatigue mats, these mats are anti-static, welding safe, grease proof.

Comfort Drainage Mats are perfect for use in industrial/manufacturing locations, in kitchens and bars as well as in locker room and shower facilities.

To clean these rubber mats, simply shake out, sweep off, hose down or even clean them in a commercial washer.
