

Cross Rib Door Mats

Cross Rib Door Mats are a highly efficient entryway floor mat disguised in an elegant package. These entrance mats have all the best features. Mats are fully carpeted for an upscale appearance, with an integral barrier dam to hold debris. Tufted yarn is highly absorbent, and an anti-microbial coating controls microbes. A heavy rubber backing grips both smooth and carpeted surfaces to minimize movement.

A molded horizontal cross-rib pattern further enhances the cleaning and drying effect of these extremely durable entrance floor mats. Even the backing on these mats is top notch, with soft, cleated rubber firmly gripping smooth and carpeted floors to prevent movement.

These entry mats receive an anti-microbial treatment prior to shipment to help them stop everything at the door including debris, water and microbes.

Ideal floor mats for all heavy traffic entrances due to superior water retention, soil resistance, function / appearance and crush resistance. Typical customers include office buildings, hotel lobbies, retail centers, law offices, doctor's offices and business parks.

- Molded cross ribs efficiently clean while looking great
- Visually appealing yet extremely durable and functional
- Anti-microbial carpet treatment controls bacteria and fungi
- Edge to Edge carpeting for upscale appearance
- Entry Mats are 3/8" thickness overall
