## Extra-Grip® Diamond Cross Garage Flooring

This tough, streamlined design is one of our most popular garage floor coverings. This flooring is very easy to install, is extremely durable and resistant to tears and punctures. You'll be able to create a sleek, industrial grade surface with good grip in minutes. Thick enough to cover imperfections in your flooring, this floor mat is good for years and years of service.

- 75 Mil Commercial Grade
- 85 Mil Industrial Grade
- No adhesives required - simply roll-out to install
- Overlap or butt together multiple rolls for seamless look
- Easily cut for a custom fit
- Will not roll up when driven on

This diamond cross pattern flooring from 100% high quality polyvinyl offers unparalleled protection against spills, scratches, discoloration and chips that your floor would normally experience. Easily installed to protect and improve the look of a working area at the same time. Provides strong grip even when contaminated, as well as anti-fatigue and noise reducing properties.

This durable mat roll is tough enough to handle heavy vehicles and prevent slipping when working with heavy objects and machinery.
