

## Rejuvenator Connect Anti Fatigue Mat Tiles

Rejuvenator Connect Anti Fatigue Mat Tiles are premium 5/8" thick urethane anti-fatigue floor mats available with two anti-slip surface designs. These supportive anti-fatigue mats are available with raised squares or domes, and the safety ramps come in black or safety yellow. Urethane construction is highly chemical resistant and nearly crush proof allowing us to offer a 10 year warranty for resiliency.

All mats are fully encapsulated in a 1/8" thick abrasion-resistant skin which increases their durability and abrasion resistance. A textured slip-resistant underside helps to keep them from sliding and creating tripping hazards.

This anti-fatigue flooring is a highly customize-able modular floor tile system available in 3' x 3' and 1' x 3' increments. Tiles and edge ramps utilize a hidden mechanical connector system for a secure connection. Tiles available in black, edge ramps available in black and safety yellow.

- 5/8" Thick Urethane
- Very comfortable
- Hidden connector system
- For Dry areas only
- Flooring (modular tiles): 3' x 3', 1' x 3'
