SMART DiamondPlate Anti Fatigue Mats

Smart DiamondPlate Anti Fatigue Mats are dual-layer anti-fatigue mats constructed from a comfortable, resilient foam base and a durable diamond plate top layer. The foam base is 100% recycled urethane, and combined with the durable anti-slip top layer, these mats are very comfortable. Available in 5/8" Comfort version and 1" Superior Comfort versions.

These anti-fatigue mats come in two color versions: Black and Black / Yellow. Black / Yellow mats have bright safety-yellow borders. All Mats have safety transitions on all four edges, helping to eliminate trip hazards.

Ideal for medium-use dry areas requiring the added anti-slip protection of diamond-plate. Designed for dry areas, however spills will wipe up easily from the durable top layer.
