Waterhog Custom Logo Mats

Waterhog Custom Logo Mats aggressively scrape dirt and debris from shoes while promoting your company.

Waterhog logo floor mats display razor-sharp designs due to the ExactLock® inlay process while the water dam borders help keep moisture from running off the mat and onto your floors.

The raised square, or “waffle” pattern employed by these custom mats, expertly brushes the bottom of shoes to not only wipe away finer particles but also brush off snow, salts, gravel and mud.

Waterhog logo mats are available with the traditional rubber border and also with a matching fabric border for a ‘softer’ look.

Whether at an entrance to a school, office building or high-traffic retail store, these custom Waterhog mats will help prevent dirt and water from coming inside for many years.

PLEASE NOTE: a logo mat design proof will be emailed to you for your approval before production.
