

## WeldingSafe Anti Fatigue Mats

WeldingSafe Anti Fatigue Mats are extremely comfortable and highly durable floor mats specifically designed for welding applications. The dense 1/8" thick leather-embossed surface has a melt-point of over 500°F, and provides excellent anti-slip properties. Mats available in 9/16" and 7/8" thick versions, with a 3 year warranty.

The leather-embossed surface texture provides outstanding anti-slip properties and hides marks left behind by sparks, spatter and slag. The PVC / Nitrile foam base offers incredible resiliency, durability and comfort.

These anti-fatigue welding mats are ideal for spot welding, FCAW welding, MIG welding, TIG welding, Flux-Core welding and light plasma cutting. Place in areas where workers stand for long periods working on the same piece, or in production welding stations. Intended for dry locations.

- Resistant to sparks, spatter and slag
- These mats feature a 3 year warranty
- MVSS 302 "A" Rating for flammability
