Wood Design Anti Fatigue Mats boast a beautiful wood grain surface finish while offering uncompromising comfort when standing on hard floors. These anti fatigue floor mats look great, feel wonderful and are easy to clean and maintain while fitting into almost any commercial and residential environment.

Wood Design floor mats coordinate with other wood cabinetry, floors and other wood surfaces in banks, retail stores, office settings and even laboratories.

The wood grain surface of these commercial-grade anti-fatigue mats will not fade or rub off, as these mats are manufactured for constant, heavy use. Cleaning these floor mats is easy - simply sweep, vacuum or wipe down as needed.

Thanks to a nitricell sponge cushion on the underside of each floor mat, Wood Design Anti Fatigue Mats provide superb rebound and cushion to the standing individual for comfort and stress relief to the neck, back, knees and feet.

These anti-fatigue mats are manufactured from 25% recycled materials.
